FOR IMMEDIATE RELEASE:

**NORTHEAST NEBRASKA TELEPHONE COMPANY EMPLOYEES
MAKE DONATION FROM "FURRY" FUNDRAISER**

The month of November proved to be a "furry" month for the men employed at Northeast Nebraska Telephone Company. All the company's male employees took part in "No-Shave November" as a way to raise money for the June E. Nylén Cancer Center in Sioux City. The men were encouraged to donate the money they would have spent on shaving supplies to the cancer center.

The women employed at telephone company took part in the fun too by providing their "expert" shaving services to their male co-workers at the end of the month. They also donated to the cancer center for the joy of becoming a barber for the day.

Today employees donated more than \$400.00 to the June E. Nylén Cancer for their fun, fuzzy fundraising experience.

PLEASE SEE ATTACHED PICTURES IN EMAIL.
