FOR IMMEDIATE RELEASE:

NEW NNTC WEBSITE OFFERS MORE TO CUSTOMERS AND POTENTIAL CUSTOMERS

Northeast Nebraska Telephone Company is pleased to announce the launch of a brand-new website for the company. The web address is www.nntc.net. The company's original website was nearly 20 years old and it was time for a re-vamp. The new site offers a fresh new look while incorporating what customers expect out of a website in 2020.

Features on the new website include:

- A page dedicated to learning about the cooperative and capital credits. This page also features a search tool for former co-op members who are owed capital credits and gave no forwarding address.
- An interactive NNTC coverage map with an address search option
- A billing calculator to estimate a bill usable by current and potential customers
- Online sign-up forms for:
 - New Service
 - Paperless Billing
 - Automatic Withdrawal
 - Fiber Fast Notifications Alerts
 - Equipment Lease Agreement
 - Membership Application
 - Donation Requests
 - Wi-Fi Trailer Requests
 - + more
- An internet data usage calculator

Customers will still have access to pricing, webmail and their online account through the new site. Additional information may be found regarding the FRS Scholarship Program, Nebraska811, Nebraska Relay 711, NNTV Channel Guides, Data Savings Tips, Soldiers' Stories and company newsletters. Links may also be found to the company's social media accounts and website links for industry advocates like The Rural Broadband Association and the Nebraska Telecommunications Association.
